### Government Polytechnic for Girls

Diploma In Information Technology (9.65 CGPA)  
2016-2019

## Academic Project

### Euphoria Health Care

- Developed an MVC Hibernate based project named Euphoria Health Care. Technologies used in that project were JSP, Hibernate, MYSQL, HTML & CSS. The aim of the project was to provide a platform that can provide all health-related services such as buying online medicine and booking an appointment with the doctor. It maintains the medical record of each user by letting them uploading the medical documents on the web application.
